The First Meeting of ReSPA National Coordinators

03 March 2017, Skodra (Albania)

Aim and Purpose of the Meeting

During the meeting, ReSPA National Coordinators will have chance to be informed on all planned activities for 2017 within three ReSPA pillars: Public Administration Reform (PAR) pillar, European Integration and Governance for Growth pillar.

The main objective of this meeting is to highlight the role of National Coordinators in implementation of planned activities. Therefore, in addition to regular ReSPA activities (conferences, working group meetings, etc.), particular attention at the meeting will be devoted to methodology of Regional Peer-to-Peer Mechanism, In country Support through New Mechanism and ReSPA Open days.

Regional Peer-to-Peer Mechanism is the new model of utilisation of regional knowledge and experiences in area of Public Administration Reform (PAR), planned to address specific needs of each of the ReSPA Members and Kosovo¹, influencing work of public administrations in accordance with the ReSPA Programme of Work 2016-2017 and focusing on specific knowledge and experience of the ReSPA members in the field of PAR.

New Mechanism for Urgent Limited Needs for ReSPA Members and Kosovo* also focusing on specific needs of the members in the field of public administration reform (PAR).

ReSPA Open Days is ReSPA mechanism/model for increasing the visibility and promotion of ReSPA activities.

Presence and engagement of National Coordinators at these activities, will significantly contribute to the better realisation of all ReSPA Activities planned for 2017.

¹ * This designation is without prejudice to positions on status, and is in line with UNSCR 1244 and the ICJ opinion on the Kosovo declaration of independence
